

# THE PERFECT BUSINESS & LEISURE TRAVEL PACKAGE

Whether it's the door to door essential time saving business tool or the prestige luxury transport for your corporate, sporting or social event, **Cardinal's** new state-of-the-art Sikorsky S76C++ helicopter can provide that service.

With its eight seat leather upholstered, luxurious, quiet cabin, the **Cardinal** aircraft is part of the organisation that can deliver seamless travel from your chosen location throughout the UK.

**Cardinal** offers a helicopter charter service based on "flight time" as well as a "block hour" purchase scheme tailored to individual or corporate needs, allowing the flexibility to use the helicopter when they need it day or night.

From our North West base at **City Airport, Manchester**, you could be in **London, Cardiff, Edinburgh, Glasgow** or **Dublin** in little over an hour.
